**Subject: Le Corbusier – Permission grant**

Dear Ms. Swaranjali,

We are answering your request to obtain permission to reproduce Le Corbusier works represented in Canada by SOCAN, in your Doctoral dissertation in Architecture and Urbanism at Carleton University, titled:

***“The Subjunctive Pause : The Nature of Architecture and its Representation in the Works of Indian Architect Balkrishna Doshi”***

We are pleased to confirm that permission is granted to reproduce the works listed in Appendix (two PDF documents) in your dissertation for your personal use and for archival purposes (paper and electronic) at Carleton University’s institutional repository and at Library and Archives Canada (LAC), contingent upon respect of the following conditions:

Works: various works by Le Corbusier (under the form of buildings, plans, study models, photographs, letters, etc.) sourced at Fondation Le Corbusier, and at Canadian Centre for Architecture (CCA)

Correct copyright byline: © FLC / SOCAN (2020)

You undertake to reproduce the works in their entirety, without cropping or overlays, and to write the abovementioned copyright byline next to the reproductions. The works will be reproduced to support the argument in the text as visual reference. It is also agreed that your dissertation will be deposited at Carleton University and LAC without allowing the works to be extracted or sublicensed for commercial purposes. This permission is granted to you for the above-mentioned use only. Any other use must be authorized in writing prior by SOCAN.

We hope that this is to your satisfaction. Please do not hesitate to contact us for any questions on the matter.

With best regards,
