

REQUEST FOR PERMISSION TO REPRODUCE TABLES OR FIGURES

Date: *[10 July 2014]*

From: *[Pedram Mortazavi, MSc Student at Carleton University, Ottawa, Ontario, Canada]*

To: *[Louis Lafleur]*

I am writing to request permission to reproduce the following tables or figures:

[Figure 1. (a) Single-storey steel building with steel deck diaphragm; (b) Displacements under uniformly distributed static lateral load; (c) analytical model on p.34; Table 2. Building Properties on p.54 and 55]

From *[Seismic Response of Single-Storey 1 Buildings with Flexible Diaphragms]* in *[Canadian Journal of Civil Engineers, 40(9): 875-886, 2013]*

as part of an article entitled *[Seismic Response of Single-Storey 1 Buildings with Flexible Diaphragms]* by *[Jag Mohan Humar and Marjan Popovski]* to appear in *[my Master Thesis, 2014]*

published by the Canadian Science Publishing (operating as NRC Research Press), to be distributed, published, and republished in all media and all formats now known or hereafter devised (including but not limited to paper copy, CD-ROM, e-book, website publication, and compilations of the same) on a world-wide basis; and including the right to sub-license such rights to aggregators and other electronic distributors.

In order to permit the expeditious publication of this article, please reply, indicating whether permission is granted, as soon as possible. The original publication will be credited in a footnote or caption to the table or figure reproduced.

Thank you for your time and attention to this request.

Sincerely,
